FROM THE PRINCIPAL'S DESK

I am pleased to introduce the students of Keshav Mahavidyalaya, a college known for its excellent faculty and infrastructure.

At Keshav Mahavidyalaya, everyday is an opportunity for students to tap into the abundance of their potential within and bring it to fruition. They understand that being different means being bold enough to challenge the norm, to forge their own trail and chart their own destiny. It is this strength, passion and will to create change that has become the hallmark of Keshav Mahavidyalaya and is clearly evident in the efforts of all those associated with the college.

We understand that practical knowledge is the key to success in this rapidly evolving corporate world and thus ensure holistic development of our students.

I hope you will find our students capable, responsible & well prepared for facing challenges and working productively towards the profiles you have to offer.

Dr. Madhu Pruthi

CONVENOR, PLACEMENT CELL

Dr. Rubina Mittal is a Ph.d. in Operations Research from Delhi University, specializing in Inventory management, Marketing Research, PERT&CPM, Logistics & Supply Chain management, Forecasting, Queuing Theory etc.

In the last few years, as the Co-Chair of Education Committees of FICCI and Phd. Chamber of commerce and Industry, she has chaired & collaborated on various national level summits, workshops, seminars & research events.

As an Associate Professor in Operations Research at Keshav Mahavidyalaya, Delhi University, she balances her administrative duties as well as academic engagements with great ease. She has been a Member of the Board of Research Studies, M.Phil New Curriculum Committee, Paper setting, Governing body, Staff Council Secretary and many more.

Dr. Rubina Mittal's extensive experience in the fields of Industry and Academia makes her inputs invaluable in various educational initiatives. Her varied experience add a lot of value to the students & college, in addition to the Mathematics Department at Keshav Mahavidyalaya.

As Convenor of the placement cell of KMV, she brings great vision and acts as a guide and facilitator for the students.

THE COLLEGE

Established in 1994, Keshav Mahavidyalaya is one of the youngest colleges of University of Delhi.

The college has been Accredited Grade 'A' by NAAC. The college has also been awarded 15th Rank by MHRD's National Institutional Ranking Framework (NIRF) in 2017.

It is considered as one of the best off-campus co-educational colleges, having carved a niche for itself by garnering University positions year after year.

The College provides best quality education through a well-stocked library with internet facility for students to promote learning and research work and hi-tech ICT enabled classrooms.

THE STUDENTS

"To assist a child , we must provide him an environment which enables him to develop freely."

At Keshav Mahavidyalaya, we firmly believe in this quote and hence provide our students an environment where they're allowed to tap into their wells of potential and engage in a myriad of extra-curricular activities so that they grow into well-rounded individuals.

This environment has not only helped students excel academically, with numerous university rankers year after year, but also socially. Our students regularly secure positions in various cultural, literary and sports events.

VISION AND GOALS

At Keshav Mahavidyalaya, our vision is to be a premier institution which nurtures creativity while instilling moral values alongside quality education.

Our goals are :

- To inculcate positive thoughts and attitude.
- To nurture creativity and problem solving skills.
- To sensitise students about gender equality and respect for all.
- To bring about awareness regarding ecological enrichment.
- To encourage students to become change-makers.
- To create a clean and conducive atmosphere for learning.

WHY KMV

Keshav Mahavidyalaya has been at the forefront of imparting excellence in education for 25 years as a part of University of Delhi. Spread out in more than 10 acres, the sprawling campus offers 9 courses in the disciplines of Science, Commerce, Management Studies, Psychology & Computer Science along with short term courses in French & German.

The college is well recognised and has been:

- Awarded 15th Rank by MHRD's National Institutional Ranking Framework (NIRF) in 2017.
- Accredited Grade 'A' by NAAC.
- Recognised as one of the most preferred colleges by India Today-Nielsen Survey, attracting students from all over Delhi NCR.

WHY KMV

We, at KMV, boast of a diverse group of exceptional individuals interested in a variety of opportunities and dedicated to make an impact through their own work. The college provides them with the best possible exposure of real-world situations and inculcates the pursuit of knowledge and ability to reason in each student.

Our students possess a myriad of skills, some of which are mentioned below:

PLACEMENT CELL

The Placement Cell of the college works diligently throughout the year in its endeavour to reduce the gap between students and recruiters.

The past few years have been immensely fruitful in terms of the companies that visited the college campus and the activities organized for the students, some of which of them are:

A series of three training workshops organized by T.I.M.E educators who shared their expertise on three important topics namely, designing a professional C.V., Handling guesstimates and Solving case-studies.

All the workshops were well received and appreciated by participating students.

In order to promote a culture of internships, the Placement Cell is associated with Internshala, the portal for internships. By undertaking summer and winter internships, students are expected to discover their interests, learn new skills, build their confidence, and eventually land great jobs.

The Cell actively coordinates with the Central Placement Cell (CPC) of University of Delhi for internships and placements, facilitating student participation in pool campus drives organized by other colleges. It also carries out the task of assisting final year students to be a part of off-campus as well as on-campus placement.

VIRTUAL INTERNSHIP FAIR 2020

The FIS logo features the letters 'FIS' in a green, sans-serif font. Above the 'F' are four small green dots.The McKinsey & Company logo consists of the company name in a black, serif font.The CASHKARO.COM logo has 'CASHKARO' in orange and blue, with '.COM' in smaller blue text to the right.The Sharekhan logo features the word 'Sharekhan' in orange, with 'by BNP PARIBAS' in smaller black text below it.The zomato Feeding India logo has 'zomato' in black and 'Feeding India' in green.The Money Roller logo features a green tree icon to the left of the text 'The Money Roller' and the tagline 'REAP WHAT YOU INVEST' below it.The TEACHFORINDIA logo has 'TEACH' in black and 'FORINDIA' in blue.

Providing opportunities and a platform for students to implement and explore their skills is the main focus of the Placement Cell. Following that aim, a Virtual Internship fair was organised.

The fair was met with great participation, with more than 1300 student applicants and 35+ companies, including the likes of Zomato Feeding India, Sharekhan, Cashkaro, etc.

INTERNSHIPS OFFERED

Internships assist in providing a hands on industry experience coupled with commix of skill development, professional connections, leadership roles and resume enhancements along with an ancillary pragmatic knowledge above customary theoretical knowledge.
